# ALLPLASTA

## Bring Quality Home

Allplasta is the Australian market leader with premium quality, design and exceptional customer service. For over 20 years, we have produced only the highest quality plaster cornices, ceiling roses and other plaster products.

All of our products are handcrafted in our workshop from sharp, detailed moulds. Our traditional methods combined with modern manufacturing efficiency and an attention to detail that is rarely found elsewhere, result in the finest quality plaster products.

## Merger Announcement

Silver Cornices & Allplasta Pty Ltd are merging their 2 companies to make the largest supplier of ornate & modern plaster products in Australia.

Silver Cornices will be moving to join Allplasta Pty Ltd at their premises at 10 Box Ave Wilberforce. As of 15th October 2018 Silver Cornices factory & showroom will be closed at the current address. All future manufacturing, pick ups and deliveries will be made from the Wilberforce factory.

We look forward to serving your needs.

### **OPENING HOURS**

Monday to Thursday - 6am - 4pm

Friday - 6am - 3pm

**S**ince 1946 the Silvers name has been synonymous with quality, service and old style original design. From generation to generation the business, along with knowledge and skill has been passed down and still remains in the family today.

From traditional styles and modern designs. The staff at Silvers can help you select from our range of quality plaster products to enhance your home or building project. We are also able to reproduce existing ceilings and features for repair or alterations.

We price ourselves on being an Australian company and the fact that all of our products are produced at our factory in Wilberforce.

Please feel free to visit our warehouse to view our products and select samples. From older styles to more modern designs, the staff at Silver Cornices will be happy to help with ideas and designs to create that extra special touch that will add value and elegance to any home that will last a lifetime. We are also able to reproduce any existing ceiling or parts you have with may be damaged to would like replicated to fit into another room or a new extension, for example. Please do not hesitate to call as we would only be too please to answer any questions you may have.
